- South Korea

US President Obama said,  
“Our children \_ listen to this \_  
our children spend over a month  
less in school than children in  
South Korea every year.” “That’s  
no way to prepare them for a  
21st-century economy.”

Quoted from

# STRENGTHS VS. WEAKNESSES

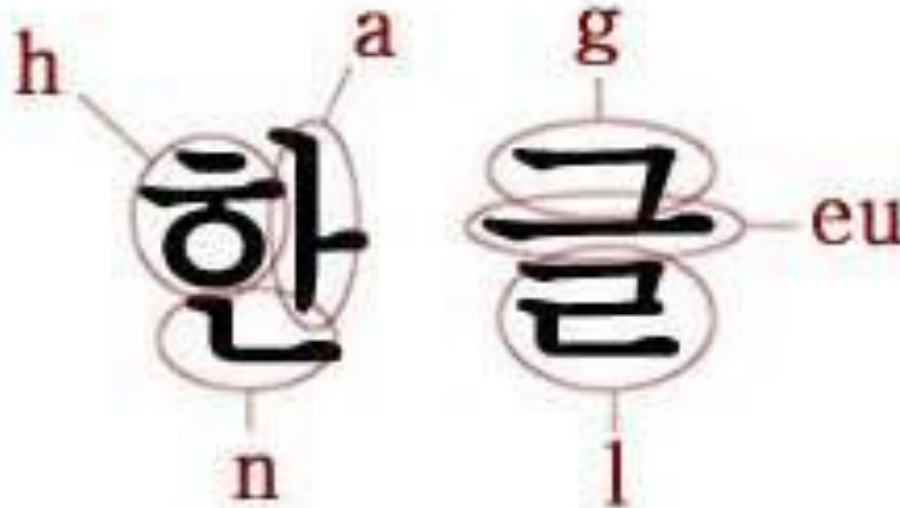

pressure to  
perform well  
academically

Suicide and depression  
rates are highest among  
teens

Emphasis on objective exams,  
passive, rote learning,  
discipline and long hours for  
students, most of whom also  
attend private cram school

Falling short of  
creativity and  
conceptual  
understanding
